

PARTICIPATION IN MASTER INVESTOR SHOW

London, 19 April 2010, Ascot Mining ("Ascot" or the "Company") (PLUS Markets: ASMP, XETRA(R): AM3.DE) is pleased to announce that it will be participating at the Master Investor Show being held at the Business Design Centre, Islington, on Saturday the 24th April.

The Master Investor Show is organised by t1ps. See: www.t1ps.com. It is one of the leading opportunities to meet a selection of companies and also to benefit from the talks and presentations given during the day by a leading panel of distinguished speakers. This year the speakers include Jim Mellon, entrepreneur and former fund manager who is ranked 88th in the Sunday Times Rich List. Other speakers include; Michael Coulson, author of "An Insider's Guide to the Mining Sector", Christopher Booker, co-founder of Private Eye, who has also written columns for The Spectator and The Daily Telegraph and Mark Slater, son of Jim Slater, co-founder of Slater Investments.

The website for the Master Investor Show is:
<http://www.masterinvestor.co.uk/home.html> where further details are available.

Ascot Mining will be at booth no. 60. The Company has arranged for a limited number of complimentary tickets (normal price £49.99) to be available to shareholders and other interested parties. For details contact the Company at info@ascotmining.com

About Ascot Mining:

Ascot is a young gold mining and exploration company which currently has interests in three permitted gold projects in Costa Rica where its' strategy is to expedite production of Gold and generate cash flow. While the immediate focus is on developing its' existing mines and the recently announced expansion of processing facilities at its' Chassoul mine, the Company is also conducting an exploration programme with a view to increasing its' gold resources.
